

Water

WRITTEN BY ROBERT GOLDBERG

Cannonball brrrrr
Cold
Jumping in like a dolphin
Dive like a submarine
Huge waves pushing me under the
water in the deep green ocean
Whooshing
Waves

But
Not always are the seas
Rough.
They can be very
Calm and smooth.
Waves pushing and pulling
Water wet and soggy
Perhaps rough and strong
But no matter what, water is my
favorite
Element
of
Them
ALL.
