Splash dive into a great pool with
A perfect view of the Hudson River.
Ship tilted in big beautiful ocean floor
Rough shark
Slippery dolphin
Sound of a saxophone
Making the smooth blues
Huge ice rink solid as steel.

Cloudy skies blue as the ocean
Tropical fruits and french fries
Jet engine roaring like a lion
Extra excited
When I'm with my
Teeny Tiny
Soft blue teddy bear.

My sister and brother and I
We have games we play
Scissors and we
Make BIG
Blue
Clothes
They are as strong
As a slippery ice cube

It makes me want to jump
In a pool and touch a fish
In the waves whooshing
Looking up at
A TV
and sleepy on a
Beach
Bed.
