

## EMILY WINDSNAP AND THE THE SIREN'S SECRET

By Liz Kessler

isbn 9870763643744

"I'll never be able to show my face in public again!" says Emily Windsnap while swimming next to Aaron. Emily Windsnap, the main character (and my favorite), is nice and has emotions that many people can relate to. When Emily and her friends, Aaron and Shona, get stuck underwater, the adventure begins.

*Emily Windsnap and the Siren's*

*Secret* is about fantasy and adventure. I am easily pulled in when I read only the first

few pages of any of Liz Kessler's books. If you like books such as *Indigo* or *Aquamarine*, then you should like this, too.

*Emily Windsnap and the Siren's Secret* is the last book in a four book series, so you might want to read the first three books before you read this one to get the idea of what's happening. Kessler's books have quite a bit of suspense so they are grabbing and exciting. I recommend this book to readers who like to feel like they have known the characters for a very long time.
